Lip Smackin' Delights

Episode: CCEAT-204H

[Previous Episode](#) | [Next Episode](#)

Jen and Outlaw's Fish Fry, a mobile truck serving Alabama style crawfish in the heart of Brooklyn, New York add a little bit of southern hospitality into all their dishes including Catfish Po'boy and Deep Fried Pickles. Next up is Riffs truck out of Nashville, Tennessee serving up Caribbean cuisine to suit all tastes. Irvine, California is where we then find ourselves experiencing Asian and Latin infused Tacos from the Dos Chinos truck which is itself a feast for the eyes. Finally we stop off in Denver and go nuts for donuts at the Sugar Lips truck with dinky delights topped with treats such as cherries & chocolate, lemon ginger or even bacon bits & jalapeno jam.
